

Consent to Perform Driver's License and Records Check

The contents of this form address the following VRPM policies: 1.7, 1.8, 3.31, 3.34, and 3.44.

I hereby give my consent to the Hawaii SMP program to perform a driver's license and records check as required for the volunteer position for which I have applied.

I understand that I do not have to agree to this records check, but that my refusal may exclude me from consideration for SMP volunteer positions that involve driving, including the roles of distributing information, making group presentations, and staffing exhibits.

I understand that the Hawaii SMP program will limit the information it collects to that needed to determine my suitability for particular types of volunteer work, that it will keep all such information confidential and destroy documents containing my Driver's License number at the time it makes a decision on my application to serve as a volunteer with the SMP program.

Applicant's name: _____

Signature: _____ Date: _____
